

ENTERING HORSE OF THE YEAR SHOW QUALIFIERS

The Entry Form requires an 'ID Number' - what is this?

All exhibitors, owners, riders and horses require a unique User ID number to compete in Horse of the Year Show qualifiers. This ID number must be quoted when you complete an official Horse of the Year Show qualifier entry form. For more information on completing qualifier entry forms, please see below.

How do I get a User ID Number?

It is quick, easy and completely free to register for a User ID Number. Go to <http://www.grandstandentries.com> and click on the 'REGISTER NOW' button in the bottom left corner of the page. Fill in the information fields as required and click 'Submit Entry'.

How do I add to an existing rider, owner or horse to my account?

To add a rider into your account, go to "My Riders" and select "Add New Rider", where you can use their User ID number to add them as one of your riders.

To add an owner click "My Owners" on the top bar then click "Add New Owner" and entering their User ID number.

To add a horse/s click "My Horses" on the top bar then click "Add New Horse" and entering their User ID number.

How do I create an account for a new rider, owner or horse?

Please only create a new account if the owners, riders or horses do not have an existing account. Creating duplicate accounts may invalidate your entries, therefore if you are unsure, please email entries@grandstand.co.uk or call 02476 858205.

To create a new account click on "Create New Owner", "Create New Rider" or "Create New Horse" as appropriate. Creating a new account will automatically allocate a unique User ID number.

Will I need a new User ID Number next year?

No, your User ID Number (and that of any riders, horses or owners) will remain the same for life.

Can I register on the Grandstand Online Entries System even if I haven't qualified?

Yes. In fact, it is more beneficial to you and the qualifying show secretaries if you do. You can do this by visiting www.grandstandentries.com.

By logging onto your Grandstand Entries account you will be able to see your User ID and that of anyone listed under My Riders, My Owners or My Horses.

2. FREQUENTLY ASKED QUESTIONS

What happens if I have not completed my form or completed it incorrectly?

The secretary of the qualifying show will contact you to advise you of this and ask you for the missing/correct information.

I entered one show with a separate Horse of the Year Show entry form, but another show I entered didn't ask for one. Why is that?

Some shows have chosen to incorporate the information required by Horse of the Year Show into their own entry forms, so no second form is needed.

Will my qualification be stripped if I have not completed the form correctly?

You will not be able to enter the qualifier if your form has not been completed correctly, so would not have been able to gain qualification.

Will my data be sold to third parties?

No, Grandstand Media Ltd, organisers of Horse of the Year Show, does not sell its data. Please see the relevant Privacy Policy on the website.

What should I do if I realise I have sent off an incomplete entry form?

Don't panic. If there is a problem with your entry, the show secretary will contact you. Unless you hear back, assume all is fine.

Should I contact the show secretary to check once I have sent off my entry form?

No, you will be contacted if there is a problem with your entry form.
